

**Process / details for subscribing to the Ace 2Mbps Point-to-Point Leased Line**

**Connectivity:**

1. The members intending to avail the said facility shall submit request for NOC to the Exchange for conducting feasibility and commissioning P2P leased line connectivity.
2. On completion of feasibility study by Service Provider, the member shall submit an 'Undertaking' to the Exchange.

(The formats of request for NOC and Undertaking are available on the website of the Exchange i.e. [www.aceindia.com](http://www.aceindia.com) under 'Technology Section')

3. The P2P leased line connectivity shall be of 2 Mbps per slot only.
4. The members have to procure and manage P2P leased line connectivity.
5. The specifications for P2P leased line connectivity are as under:
  - a. Only Ethernet drop at Exchange end.
  - b. Member can have either Ethernet or Serial drop at their end.
6. Exchange shall maintain the configuration and control of Member Router and the same shall not be shared with member.
7. Member has to monitor and directly follow up with Service Provider for any link related issue.
8. In order to ensure seamless connectivity to Ace Disaster Recovery Site (DR), members are advised to obtain at least one MPLS circuit as secondary mode. Alternatively, member could use IPSEC VPN over internet to connect Ace TWS at DR site.

### **Charges for subscribing to the 2Mbps Point-to-Point leased line connectivity**

The members shall be required to pay the following charges on per slot basis to the Exchange for availing the 2Mbps P2P leased line connectivity:

a. Annual Recurring Charges for slot (payable to Ace)

Rs. 30,000/- + Applicable Taxes.

The said charges shall be paid initially at the time of application, by way of Demand draft / Cheque drawn in the name of 'Ace Derivatives and Commodity Exchange Ltd.' payable at Mumbai. Subsequently, the annual charges will be debited to the member's Exchange Settlement account.

Members may please note that:

- The Annual recurring charges are for slot subscription and are payable in advance to the Exchange at the beginning of every financial year.
- All above charges are exclusive of taxes. Taxes would be levied as applicable.
- The charges are not refundable.

b. Annual Recurring charges for the leased line + One time installation charges (payable to Network Service Provider)

Applicable charges are to be paid directly by the member to the Network Service Provider as per the tariff agreed upon between the member and the Service Provider.
